			2014 The Last Word	28	140

"I believe winemaking is about translating a place and time into a wine - about capturing that unique combination of season and site and bottling it for people to enjoy. No two seasons are the same, and no two sites are the same, but through thoughtful viticulture and considerate winemaking, we craft wines that year after year show the tension, vibrancy, and life that is always present here in the Okanagan."

Taylor Whelan
