

## SILT & STONE

TASTING FEE 22

(UPON AVAILABILITY, 1:30PM & 4:30PM DAILY)

*Gifted with two amazing blocks of Pinot Noir planted in the early 90's, Block 2 & Block 4 have some of the oldest Pinot Noir vines in BC. Block 2's clay soils elegantly express floral and rich red fruit notes with delicate tannins. In contrast, the stony, sandy soil in Block 4 shows dark fruit, such as deep plums and well-structured tannins.*
